

DISCOVER THE GTD 240

The flagship of our outboard lineup, the GTD 240, is spacious and versatile. An asymmetrical bow provides an ample area to lounge and relax, as well as space for a large enclosed changing room or an optional head. Dual helm adjustable seats and a u-shaped cockpit mean space will never be an issue as you enjoy water sports or conversation. Large swim platforms provide access to multiple boarding ladders and a walk-across design, while the side entry step is certainly fit for entry, seating, and even more storage needs.
